To

His Highness Sir Sri Krishnaraja Woodeyar Bahadhur, G.C.S.I.,

Maharaja of Mysore.

May it please your Highness,

1. That one Mr. B.D.Naidu of Bangalore is a good friend of the present Dewan Sahib (Mr. A.R.Banerji) and his wife.

2. That he became somewhat rich during the the Great War; prior he was an ordinary man of poor means.

3. That he is now the present Carrying Contracter of arrack in the Mysore State. By using undue influence to the Dewan sahib through his wife he has been getting all concessions what others could not get in the usual course in his contract.

4. It is a pity that the Govt. of Mysore should lose its prestige by the action of the present Dewan Sahib. A man in high responsible position should yield to all the abitious desires of that up start of Mr. B.D. Naidu.

5. That the conduct and his dealings as Carrying contractor is deplorable; nobody take any pain to look into the dignity and respectability of such a big contractor. His dealings a deceit are notorious and beyong any description.

6. That Your Highness will kindly enquire into the matter and set things right and at the same time guard the digsity integerity of the benign Govt. of Mysore., as Your High could not lay full confidence in the present Dewan Sah

Dated 4th April 1922. A Sufferer.

B. Subbarao.
